FAQS

Do you offer tastings?

We generally do not offer tastings. We can offer complimentary tickets to our summer farm dinner for prospective clients.

Can I schedule a tour?

Yes. We are flexible and work with you to schedule a private tour at a mutually agreeable time.

I would love to offer maple syrup or some other local product as a gift for guests or clients. Do you offer this service?

We offer several items as party favors or for welcome bags or corporate gifts.

What is the timing for my wedding?

Timing is completely based on customers' desires. Summer ceremonies typically start at 4 or 5pm; fall weddings tend to be earlier in the day—often around 3pm.

How much time is allowed for set-up and clean up?

We are happy to provide early access to our facility to make your preparations easier. For weekend events, setup may begin on Thursday after 3 p.m. Clean up and break down should be completed by 1 p.m. on Sunday.

What is the timing for a ceremony rehearsal?

Ceremony rehearsal can take place after 3 p.m. on Thursday. Please contact us in advance if you would like to arrange catering services or to have outside food plans approved.

Where can we get ready?

The guest cottage, which is typically included in the facility rental, is a great place for some or all of the wedding party to get ready.

FAQS

Do you allow decorations?

Yes! We welcome decorations such as flowers, candles, and lighting. Weekend wedding clients may begin decorating Thursday after 3pm. Please note, we do not allow anything to be applied to the building that will cause damage. Candles must be enclosed in glass and extinguished by midnight. We ask that decor and personal items be removed by noon Sunday.

What does Mayfair offer for bar services?

For a number of years, we have relied on a local bartending service that collaborates with our clients to determine the ideal drink menu. Our clients purchase their own alcohol and mixers, so they are not paying a mark up. New Hampshire State Liquor stores offer reasonable pricing, as well as buy-backs for unused items. While the service carries ample insurance, we suggest that clients obtain a rider on their homeowner's policy to cover themselves. Clients often request a "signature drink," and we enjoy crafting cocktails that capture the season and the distinctive flavor of a special day.

When do you need our final headcount?

Final headcount is due 21 days prior to wedding. Please include young children, children, adults, and vendors in your final count.

What are your payment terms?

The deposit of \$2,000 is required to secure a date. The remaining balance is due two weeks prior to the wedding. On completion, a final adjusted invoice with any remaining additional items will be presented and payment is due within 5 days of billing. Please contact us for pricing and availability.
